Good Evening,

Attached, please find a copy of the crime update for the week ending 10/29/16 for LAPD Basic Car Area 3A19. This reporting area includes North University Park, El Salvador Community Corridor, and adjacent communities.

In the past week, we had four violent crimes (all robberies) and eight property crimes. Of the four robberies, there was one arrest and we have strong leads on another. Please try to always be aware of your surroundings and report anything suspicious in nature to either 911 or 877-ASK-LAPD.

We have increased our patrols where crime has increased, and we are pleased that bicycle thefts have been reduced in the North University Park area.

We encourage you to attend the Southwest Area Community-Police Advisory Board (C-PAB) meetings on Monday, November 7th:

Teen C-PAB - 5pm to 6pm, LA Sentinel - 3800 Crenshaw Blvd. - all Teenagers welcome!

C-PAB - 6:30pm, LA Child Guidance Clinic - 3787 S. Vermont Ave. - for all age groups.

Tip of the Week: To report vehicles that appear to be abandoned on city streets, please report those vehicles by utilizing one of the following links:

The Department of Transportation / Parking Enforcement will then verify if the vehicle has been parked for more than 72 hours, issue a citation, and tow if necessary.

Please let me know if you have any questions or if there are any specific areas of concern in your community.

Sincerely,
Paul
